## Streetscape & Public Places

THEMES	ACTIONS	TIMESCALE	SDG
Advocate and fund, where possible, <b>community infrastructure</b> such as communal civic spaces, benches, water fountains, public toilets and play areas.	Due to Covid / outdoor spaces/link in with community centres/temp benches-tables outside premises until 6pm ( <a href="#">Axis Ballymun</a> )/regular stops for elderly.	SHORT	3
	Painted electrical and signal boxes. DCC <a href="#">Dublin Canvas</a> art pieces along Main Street – Identify non painted boxes and link in with DCC scheme. Try and get local Ballymun artists.	MEDIUM	9
	A bicycle shop would be good to have, both for its utility and sustainability and being a good business to have on the main street. Link in with <a href="#">Rediscovery Centre</a> and recommend expansion of their bicycle workshop to include maintenance. Link in with the <a href="#">Ballymun Job Centre</a> to show there is a community need for this service in the area and research what's already available.	MEDIUM	12
	Street furniture (benches) are included in the future plans for the <a href="#">Ballymun Plaza</a> .	LONG	11
	Upgrading of traffic lights to a slimline LED model (saves energy and maybe looks better) Research with DCC traffic dept.	LONG	13
Monitor ongoing concerns regarding derelict buildings,	Footpaths - Lack of dishing of footpaths/visually impaired paving/parking on footpaths – link in with <a href="#">Ballymun Active Disability Group</a> and audit needs	MEDIUM	11

<p>maintenance issues and <b>issues of public safety</b> and seek to have them addressed by relevant stakeholders e.g. Dublin County Council, business owners, homeowners, NAMA, etc.</p>			
<p>Ballymun as an <b>historical town</b>, advocate for supports to be put in place to support shop and homeowners to keep their premises attractive and adequately maintained e.g. Streetscape Improvement Scheme</p>	<p>Enter Ballymun in the Historic Town Initiative, since it is obviously well known and has always had national significance not least in terms of housing policy. Of course it will feature prominently in the future as well. Research / big anniversary coming up – when construction started? Old buildings – St Pappins / Domville House / Geraldstown House / Boiler House on Main Street</p>	LONG	17
	<p>Ballymun does not have many old buildings, or even any of the tower blocks, but the focus now should be on the quality of contemporary buildings being constructed and being done well by DCC - the new <a href="#">Lidl complex</a> looks super for example and <a href="#">O Cualann</a> affordable housing. Different types of architecture in Ballymun. Research twin with new town? Ballyfermot/Darndale/. Ballymun maybe unique?!
